

## HAPPY NEW YEAR!

*As we welcome in 2026, our wish for you is for a new year filled with joy, peace and happiness.*

Our mission is to keep you as active and independent as possible. One of the ways we do this is to make activities available to our older adults through our Senior Centers. We have four Centers located throughout Mercer County and transportation is available through Mercer County Community Transit to get you there!

The Senior Centers offer a wide variety of activities each day (Monday through Friday) to keep you active and engaged with other older adults in your community. There you will find book clubs, card clubs, exercise programs, health and wellness classes, educational classes, art and crafts, lunch and socialization with your peers. It is a great opportunity to meet up with old friends and make new friends. More importantly, you can keep your mind active and your spirit light. Check out our website for more information about the services offered at the senior centers.

If you are already participating at one of our four Senior Centers, we hope you find some of that joy we wish for you. Our Senior Centers are free and open to all Mercer County residents who are 60 or older. The programs enjoyed by those who attend, are provided by you through your daily donations, donations from families and friends, community organizations and fundraisers. All of those donations go directly to enhancing activities offered at the Centers. Our other funding provides for the building upkeep, maintenance, utilities, and staffing.

**So a great big THANK YOU! to all who are able to donate to the Centers.** We appreciate your generous support of the programs offered to our older adult population!

If you haven't been to one of our Senior Centers, why not start out the new year with a resolution to try it. I think you will like it! Stop in to get a calendar of activities and events or go to our website.

Best Wishes in 2026! *Sandy Swogger, CEO*
